PREPARE FOR WINTER

During the warm days of the Fall is the best time to do any reusir work, instead of waiting until the cold makes outside work difficult.

Have you examined your roofs and gutterns to see if they are tight? Is your heater in condition to run through the winter? Is the plumbing sanitary and all right for the coming winter?

If not, call or 'phone and we will attend to it promptly.

Charter For Company.

Monday, Oct. 2, 1865.—A movement is on foot to organize the Norwich Horse Railroad Company for which a charter has been granted. The high price of iron and building material has heretofore stood in the way of any attempt to proceed with the work. It is intended now, if sufficient interest is manifested, to call a meeting of the corporators, distribute the stock and complete the organization so as to be ready to commence grading and laying the rails early in spring.

Frank L. McGowan, formerly steward of the City of New York, was in town Saturday. He has been in Austin, Nev., the past eight months and purposes returning there about the first of December. His hosts of friends hereabouts will be pleased to learn that he is enjoying excellent health and is prospering finely.

Ask This Man to Read Your Life

His Wonderful Power to Read Human Lives at any distance amazes all who write to him

Thousands of people in all walks of life have been benefited by this man's advice. He tells you what you are capable of, and how you can be successful. He mentions your friends and enemies, and describes the good and bad periods in your life.

His Description as to past, present and future events will astonish and help you. All he wants is your name (written by yourself), your birth date and sex, to guide him in his work. Money not necessary. Mention the name of this paper and get a Trial Reading free.

Herr Paul Stahmann, an experienced Astrologer, of Ober Niewsadern, Germany, says:

"The Horoscope which Professor Roxroy worked out for me is quite according to the truth. It is a very clever and conscientious piece of work. As an Astrologer myself, I carefully examined his Planetary caculations and indications, and proved that his work in every detail is perfect, and that he is up to date in his science."

Baroness Blanquet, one of the most talented laddes of Paris, says:

"I thank you for my Complete Life Reading, which is really of extraordinary accuracy. I had already consulted several Astrologers, but never before have I been answered with so much truth, or received such complete satisfaction. With sincere pleasure I will recommend you and make your marvelous science known to my friends and acquaintances."

If you want to take advantage of this special offer and obtain a review of your life, simply send your full name, address, the date, month, year and place of your birth (all clearly written), state whether Mr. Mrs. or Miss, and also copy the following verse in your own handwriting:
